

Part of Aria Grace Law CIC

Aria Grace Equine Law offers full-service equine law representation and advice underpinned by the highly specialist experience of its team. Its lawyers have extensive experience of the equine world and the unique challenges faced by those operating within it. They use their market leading knowledge to obtain results, expertly guide and find commercial solutions for their clients. The team offers clients a seamless experience, from transactional advice to disputes and regulatory issues. Its lawyers combine years of experience at leading law firms and as in-house lawyers, with a lifetime of involvement in all aspects of the equine industry, as owners, breeders, competitors and more. The team is trusted by a long-standing client roster of high-profile professional equestrians, national governing bodies, equine business owners, owners and associated professionals.

Aria Grace Equine Law is proud to partner with Spinal Research in 2024. 5% of all equine law fees will be donated to Spinal Research, helping their work to find a cure for paralysis.
